Hi Mary Ann – We'll send the CAD file you are requesting shortly. The base file you mentioned is the overall upland topo survey for the entire area we had surveyed for the project.

Cheers!

Bill

Subject: [EXTERNAL] Gorge Dam Sediment Disposal Areas

Hi Mary Beth,

In an effort to coordinate between the Gorge and Northside projects, Arcadis has requested the AutoCAD drawing showing the sediment disposal areas. I thought we had previously requested this and looked on our Northside project SharePoint site. I found a drawing titled "005-C-CSPN01_709137_base file_03312020.dwg". The file indicated that I posted it to the site on July 9th. Can you please confirm that this is the most current version of the drawing? If it isn't the most current version, can you please provide a current version?

Thanks,
Mary Ann
